EGG ART DISPLAY

Come and see the beautiful hand-painted eggs, created by artist Mary Louise Glaves of Morton Grove, in our small display case in the Library. Beautiful scenes and bread-dough flowers enhance goose and quail eggs--really something to see.

"THE LONG SEARCH"

A great upsurge in religion is happening in this country and throughout the world. People are searching again for some meaning for their lives; they are dissatisfied with materialism and are fearful of our dependence on science and technology.

The BBC has filmed a beautiful series on the exploration of religion in today's world, and the Morton Grove Public Library is presenting the entire series on Wednesday evenings at 7:30 to 8:30 P.M. throughout the summer.

This mammoth 3-year production took its narrator, Ronald Eyre, and the BBC filmmakers on a trek to India, Japan, Israel, Rumania, Hong Kong, Egypt, South Africa, Spain, Italy, and the U.S. It is a striking travelogue of contemporary religions and is well worth your viewing time.

The series started in June with films on Protestantism, Hinduism, and Buddhism. Following is the remainder of the schedule:

June 28	Catholicism: Rome, Leeds & Desert
July 5	Islam: There is No God But God
July 12	Orthodox Christianity: The Rumanian Solution
July 19	Judaism: The Chosen People
July 26	Religion in Indonesia: The Way of The Ancestors
Aug. 2	Buddhism: The Land of the Disappearing Buddha--Japan
Aug. 9	African Religions: Zulu Zion
Aug. 16	Taoism: A Question of Balance-China
Aug. 23	Alternative Lifestyles in California: West Meets East
Aug. 30	Reflections on The Long Search

CHILDREN'S HIGHLIGHTS

The Children's Summer Reading Program is in full swing and has, as its theme, the popular film, "Star Wars." Each child picks a Star Wars character and plays a game of galaxy adventures, reading 15 books along the way.

On Saturday, September 9, awards will be given for the best-written book reports, and each child will receive a medal for "reading achievement."

Game rules are available at the Children's Desk. Children from pre-school through 6th grade are eligible. This is an imaginative and easy way to encourage your child's reading, so have him or her join in "The Star Wars Game" at the Children's Desk!

HEALTH LECTURES

The Morton Grove Health Department is sponsoring a series of lectures on Health Problems, presented by prominent doctors in the area, at the Library throughout the summer.

On Thursday, July 13, at 7:30 P.M., Dr. Melvin Chertak will talk on diabetes, and on Thursday, August 10 at 7:30, Dr. William Wehrmacher will speak on heart disease and its prevention.

On Tuesdays, August 15 and 22 at 7 P.M., a Women's Health Seminar will be presented by Ms. Hannah Skenazy, Health Educator at Evanston High School. This seminar will be especially for women aged 18 and 35, and will cover the subjects of family planning and breast self-examination.

These health lectures are important for all Morton Grove residents and are free of charge.

RULES OF THE LIBRARY

The Circulation Desk would like to take this opportunity to answer some oft-repeated questions we get daily.

TIME LIMITS-Because we change our due dates only once a week, the day of the week on which you borrow a book determines the length of time you may keep it:

Short term materials, 7-13 days, not renewable
Long term material, 21-27 days, renewable if not on reserve

FINES FOR OVERDUE MATERIALS

Books and records	5¢ a day
Paperback books	4¢ a day
Magazines, pamphlets	2¢ a day
Framed paintings	10¢ a day

RESERVES-Morton Grove patrons may reserve books in demand. A charge of 15¢ is made for this service.

RECIPROCAL BORROWING-Your library card will be honored at any of the 42 libraries in the North Suburban Library System and at the Chicago Public Library. Loans may be limited to books only, depending on each library's policy.

INTERLIBRARY LOAN-Books and materials not available in our collection may be obtained from other libraries through the North Suburban Library System. Forms are available at the Circulation Desk.

CENTRAL SERIALS SERVICE-Photocopies of magazine or newspaper articles not available in the Library, are provided, free of charge, by the System on request. Forms are available at the Reference Desk.

FILMS-16 mm. sound films may be ordered through the Library at 50¢ each from the Suburban Audio-Visual Service. The Library has catalogs of these films and they must be booked well in advance. A 16 mm. sound projector may be rented for $5.00, if needed.

CARD CATALOG-All books are listed in the Card Catalog alphabetically under author, title and subject. Non-fiction books are numbered, biographical books are designated by a "B", and fiction books have no designation.

CARDS-All library cards are issued to Morton Grove residents for 3 years and must be renewed at the end of that time. Identification is required when applying for a new card and all cards are picked up at the Circulation Desk; they are not mailed. Lost cards may be replaced by paying 50¢.

From the Librarian's Desk.....

In the month since we mailed out our survey to every home in the Village, we have received about 1,000 responses. This represents only a 12% return rate, but since the responses are so varied, they would seem to reflect the thinking of the entire Village. We do encourage you to respond if you still have the form, or to pick one up in the Library if you don't have it and still wish to respond.

The responses indicate many points of view and some misconceptions. Some comments cry out for a personal reply and we hope that you will call us directly for clarification of the services which interest or concern you. Some of your suggestions will be acted on, and all will be examined carefully.

One misconception which a dozen or so respondents expressed was that adding to our library building will automatically require a tax increase. This is not true. The tax levy we can impose is limited by law to a .23, or 2.3 mills on each dollar of assessed valuation. For example, if your home is assessed at $15,000.00, the share of your tax bill which goes to support the Library will be $34.50.

Should the Board of Library Directors decide to request a construction fund levy, limited to .02% or .2 mills, your library tax could be:

Market Value *	Assessed Valuation *	Library Tax Levy *	Construction Levy *	Total Library Tax *
$62,500.	$10,000.	$23.00	$2.00	$25.00
93,750	15,000	34.50	3.00	37.50
125,000	20,000	46.00	4.00	50.00

With books of fiction averaging $9.87 per volume, and non-fiction even higher, your use of the Library instead of purchasing your own books or periodicals could quickly save you the cost of taxes.

We would like to remind you that this is all you will have to pay toward the Library. This is your tax levy. When you read about the library appropriation, you need to understand that it is the total amount of money which we are authorized to spend from all sources, only one of which is the tax levy.

The Friends of the Morton Grove Public Library are tabulating the results of the questionnaires and we are very grateful to them for doing so. I will be discussing other questions raised by your comments and responses in future columns, but hope that you will call me if you want or need a more immediate answer.
